WHAT INFORMATION WILL I FIND?

Formerly called *World History Online*, *Modern World History Online* focuses on historical information beginning in the mid-1400s through the present. Features include:

- **Biographies:** thousands of biographies of important historical figures from around the globe
- **Events and Topics:** descriptions of a broad range of events, places, and cultural developments in world history
- **Primary Sources:** full-text, or selected excerpts of, primary source documents with introductory remarks
- **Timeline:** thousands of generously hyperlinked entries spanning from 1450 to the present
- **Maps and Charts:** original maps, graphs, and tables with informative captions
- **Learning Centers:** specially selected entries on different areas of interest to help users find a starting point for their research
- **Special Features:** a spotlight providing an in-depth look at a topic such as music during the Enlightenment; a Focus on feature highlighting a topic such as the European Age of Exploration.
