The Essential Career Research Database

The critically acclaimed *Ferguson's Career Guidance Center* features authoritative, wide-ranging content that is accessible and intuitively organized. This comprehensive career research database is broken down into three main sections: Job and Industry Profiles, Job-Hunting and Workplace Skills, and Career and Industry Resources. Our career research database is known for its unprecedented depth of coverage and variety of user-friendly content formats. The material is drawn from a range of authoritative sources and is extensively indexed.

ISBN 978-0-8160-4380-4.
