

Writer's Reference Center

A Facts On File Reference Database

NEW!

The Essential One-Stop Online Reference for Writers

The new *Writer's Reference Center* provides users with a convenient one-stop location for all of the tools necessary to write and research effectively. From the mechanics of writing and grammar to style and research, this indispensable online resource thoroughly covers the fundamentals of quality writing and provides a wealth of vocabulary-building reference dictionaries.

Greatly expanding on essential references such as the comprehensive dictionary and thesaurus, this resource covers numerous thematic areas, explaining the roots of words, phrases, allusions, clichés, proverbs, and more. An in-depth grammar section defines grammatical terms and gives examples of use, while another section explains the meaning and usage of frequently confused words. Writing resources teach users how best to write and revise their work. Users can easily find resources on specific grammar and style issues or can lead themselves through the guides to gain a better understanding of larger concepts. The easy-to-use interface and intuitive design allow users to quickly find relevant information through customizable searches and browsing.
