

The World Almanac® for Kids Online

Reference Database

An Entertaining Reference Site Especially for Kids

Erasing the line between homework aid and fun reading, *The World Almanac® for Kids Online* expands on the contents of *The World Almanac® for Kids* print edition, along with other award-winning reference books from World Almanac®, Chelsea House, and Facts On File. A natural complement to the curriculum, the online site provides resources for homework, reports, and projects. Kids can explore grade-appropriate topics in a fun format while developing online research skills with a trusted source.

Categories include:

ANIMALS: Articles on more than 100 animals. Includes information on anatomy, physiology, feeding, hunting, and endangered species status.

COUNTRIES OF THE WORLD: More than 190 nations with details on population, industries, major cities, geography, and national history.

READER'S CORNER: A popular hub to discover books in a particular genre, by well-known authors, or that are best-sellers, ALA recommendations, and prestigious award winners. Plus, Fun Facts about how *The World Almanac® for Kids* book is produced, how to make your own book, pen names of famous writers, and much more!

UNITED STATES: Details on all 50 U.S. states and the District of Columbia, including population, climate, industries, local history, landmarks, and famous natives.

AND MUCH MORE!
